At the Market Square
inside the tent

Organized by the Hohenfels Fire Department
and the Hohenfels Youth Club

The Festival will take place in
all weather. Program is subject
to change

Greetings from the Hohenfels City Festival

Dear Hohenfels visitors,

As the mayor of Hohenfels, once again I am pleased to welcome you to this years City Festival and trade fair in the great town of Hohenfels. In addition to numerous local clubs, restaurants, our community market, local businesses, craft professionals and service providers, as well as other organizations and institutions that are participating.

Beside the German police, Hohenfels Fire Department, the Federal Agency for Technical Relief (THW), also the US Fire Department and US Army will be represented with various exhibits.

The elementary school parents' council, REGINA GmbH, and the representatives of the hunting association await your visit.

The Old Timer Freunde club will also be featuring their annual small vintage car show worthwhile seeing.

Our partners from Strasice, Czech Republic will also have a booth.

The "Pohodovka" brass band will provide musical entertainment together with the Hohenfels Kolping Youth Brass Band. A line dance group will also be part of the entertainment.

This diversity of industry, trade, crafts, services, arts and culture, clubs and restaurants, combined with non-profit organizations and the neighbouring US Army, as well as the participation of our Czech partners, will ensure a truly out-of-the-ordinary setting.

Additionally, attractions such as the duck race in the "Forellenbach" stream, a children's painting competition, a children's sandpit, and a skill parkour with construction machinery will be a magnet for young and old. Attractive donated prizes will reward the winners.

Enjoy the diverse culinary offerings, take advantage of the opportunity for conversations and meeting local people. Get to know Hohenfels and the Hohenfels region and honour the participants with your visit!

I wish you an enjoyable time and delightful stay. We are looking forward to your visit!

Christian Graf
Mayor
